PALM COUPLINGS: 100% MADE IN ITALY

Settimo Milanese -

Bertocco Air Truck Technology srl are pleased to announce that the production of ISO palm couplings for trucks and trailers, based on Bertocco drawings, has now restarted. The whole range is now **COMPLETELY MADE IN ITALY (100%)**, in our Settimo Milanese plant.

Our palm coupling range maintains the excellent design characteristics that have made **BERTOCCO DESIGN** unique. Excellent technical properties include: **STEEL INSERT**, incorporated in the palm coupling's high-stress area, and **IMPREGNATION and OXIDATION TREATMENT**, guaranteeing that Bertocco palm couplings have the highest quality level and longest lifetime in the market.

We would like to thank you for your continuing loyalty to our products.
